Avinash Gupta takes you on a journey back to the golden era of cassettes, CDs, mixtapes and timeless melodies.

REWIND is more than a musical experience it is the songs and stories of a 90s kid, bringing alive the memories of a generation that grew up recording songs on cassettes, sharing CDs, making mixtapes and discovering music one track at a time.

Blending live music, nostalgia and storytelling, Avinash revisits the songs that became the soundtrack to childhood, first crushes, family road trips, school memories and simpler times.

From the crackle of a cassette to the warmth of an old melody, **REWIND** is an invitation to pause, remember and relive the moments that shaped us.

REWIND. RELIVE. REJOICE.

Because some songs don't just play...
they take you back.
