THERE IS FUNNY EVERYWHERE

A stand-up comedy show that travels across India to discover the next wave of comedians.

RAGHAV MANDAVA X ORIOLE ENTERTAINMENT

India is a Gold Mine

Majority of India's biggest talents are born and raised in tier 2/3 cities.
But the opportunities exist only in the big ones.

What about the rest of India?

What if comedy didn't wait for talent to come to the big cities...
what if the opportunity went to them instead.

Are you ready to be a part of this treasure hunt?

A great artist can come from anywhere

What makes an artist is how they see and interact with the world.

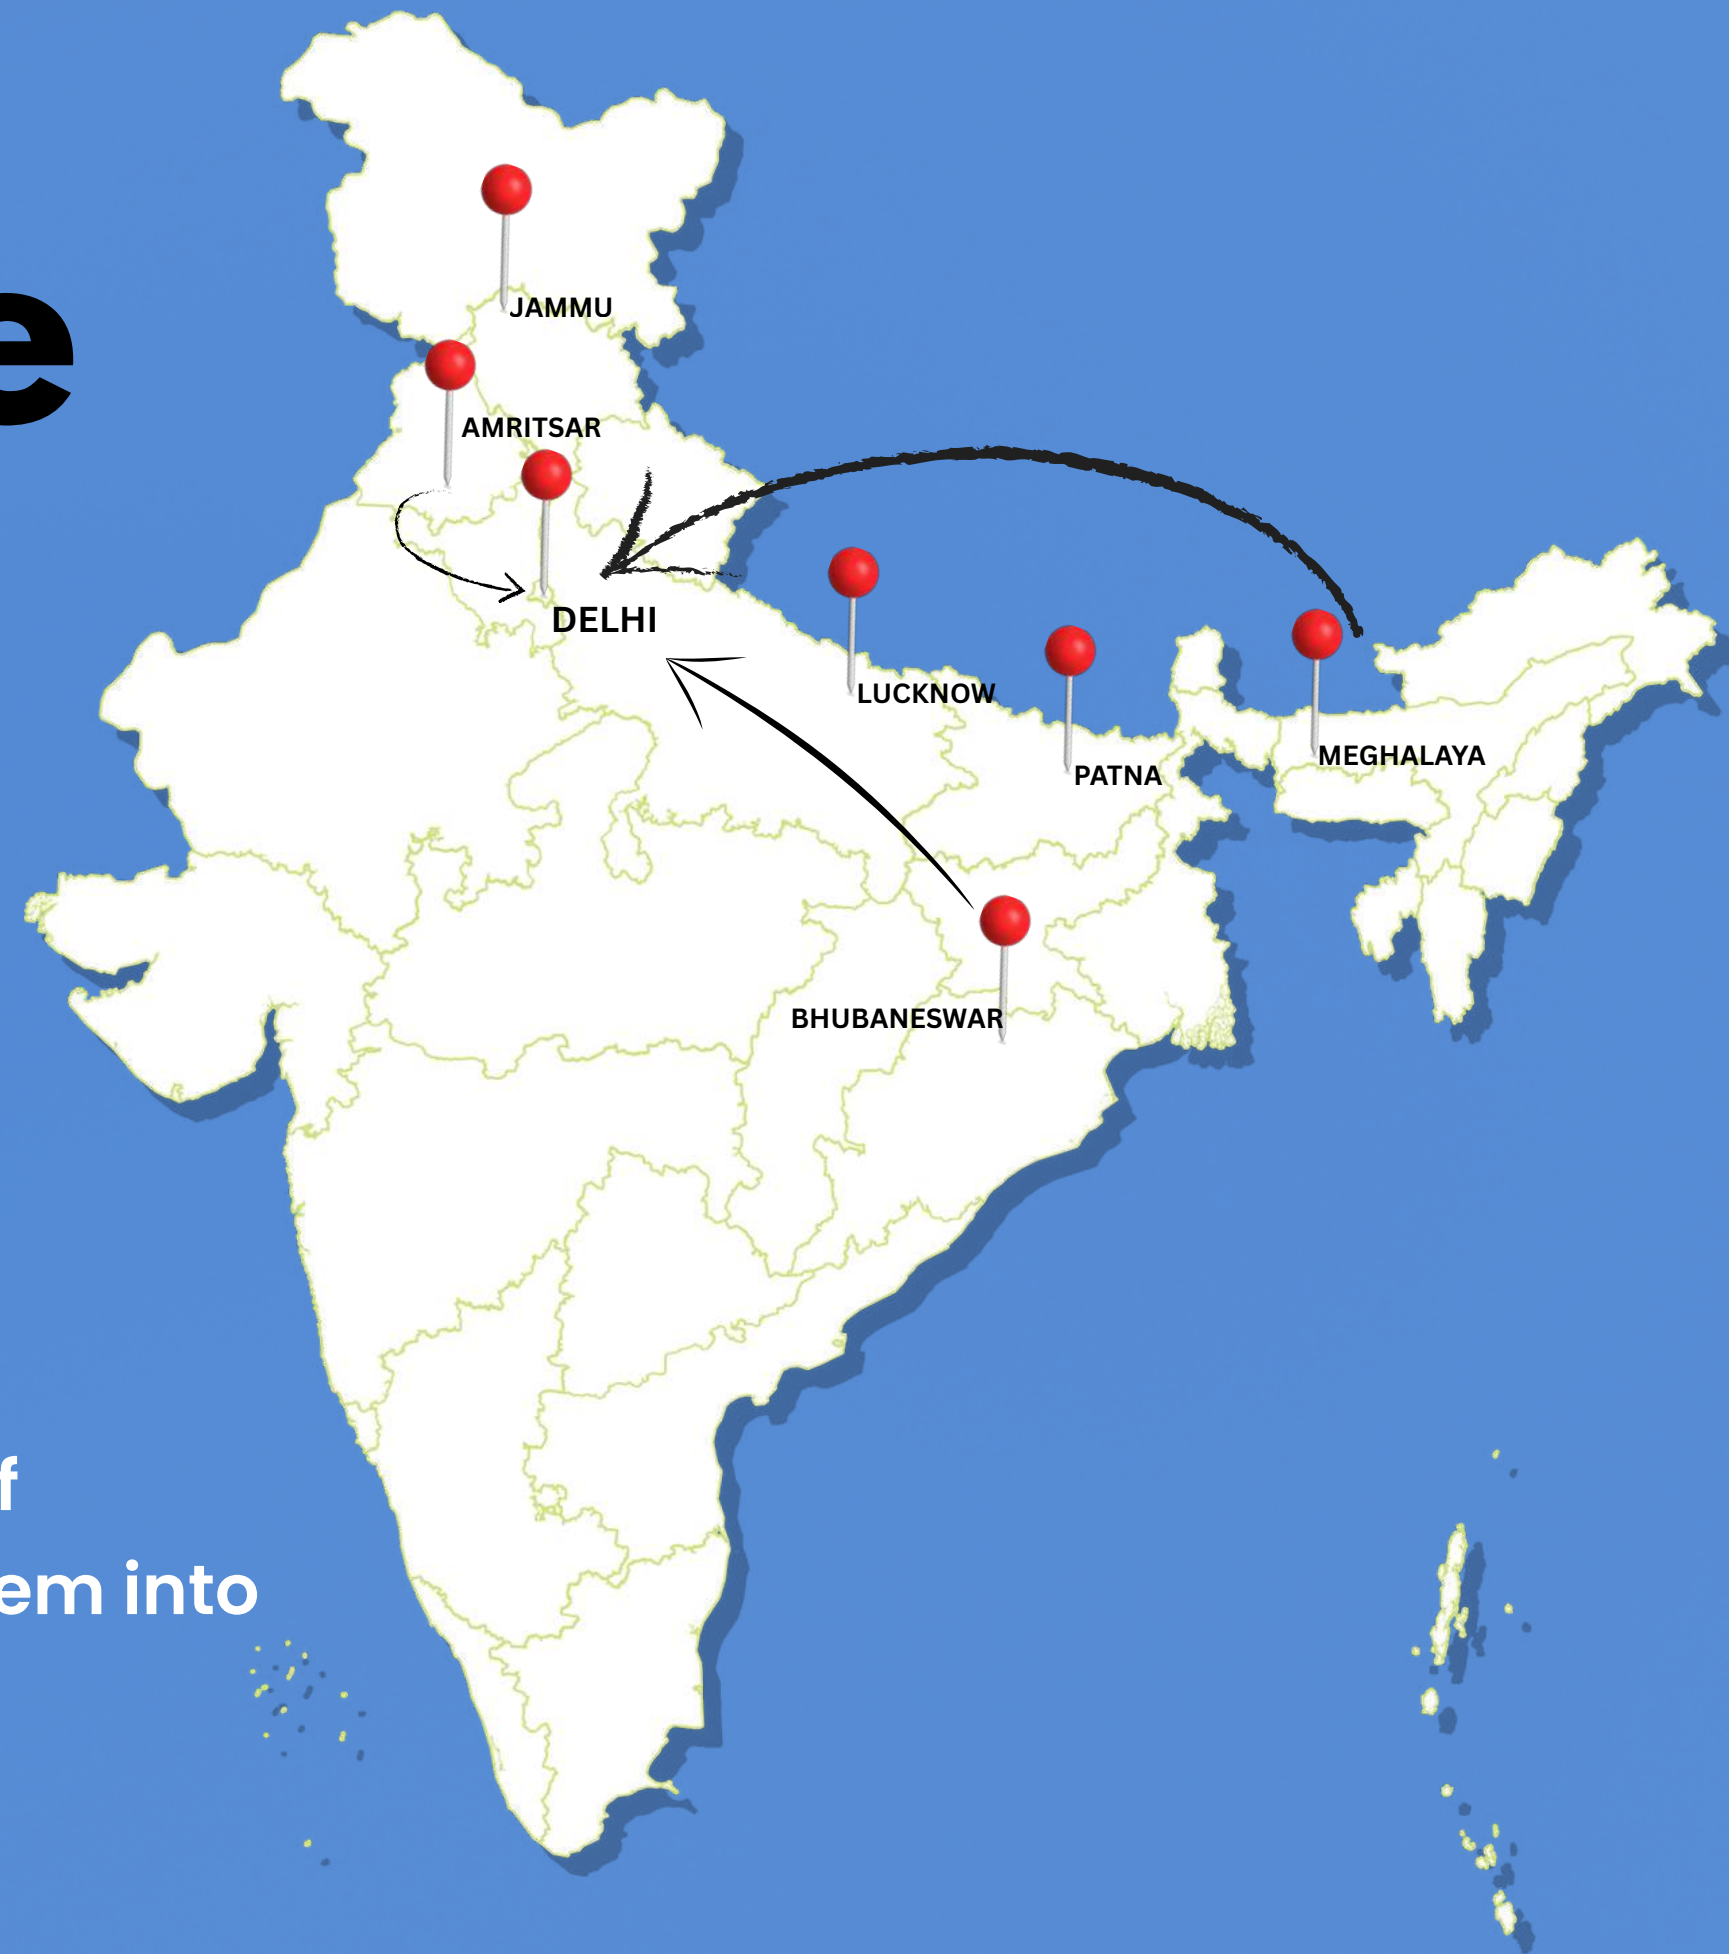

Small towns don't have enough access to opportunities to showcase their talent and unique point of view
A large share of great comedians come from small towns,
we're not waiting for them to arrive to the big cities, we're going to find them.

Diamonds in the rough

We travel across India to find a whole new set of voices and opinions.

We bring them to Delhi and put them through a series of different comedic challenges and coaching to polish them into the next set of comedians.

Viewers Love a good Rags to Riches story

Which is why we're going with a Documentary style show

An exploration of:

- How a star is made
- Fresh and Unique voices
- Great Jokes
- Thought process of an artist
- Professionals passing the torch

Tone:

- Funny
- Heartfelt
- Uplifting
- Hope
- Rags to Riches

ANYONE CAN PARTICIPATE!

We're seeking original thinkers with unique **comedic perspectives**, regardless of socio-economic background.

There is a conscious effort encourage to "young male comic" archetype and bring in newer voices. We are not just looking for funny, but we are also looking for **something fresh**.

We don't want to make a **SCENE!**

26 years of combined experience guiding **content and creative decisions**

Defined content framework, with **no religion or political material**

Controlled allowance for personal and adult themes within acceptable limits

Rigorous editing ensures consistency, **brand safety, and platform compliance**
